Greetings fellow FCA Members and Friends,

As the year comes to an end, we hope that everyone has had ample time to recoup from and reflect upon his or her experiences at our 83rd convention in Orlando. This year, we had a multitude of workshops, panels and papers exploring the topic of Creating Community through Communication. Submissions ranged widely in topics from creating community through the hosting of a final presidential debate to the role of reality TV in the classroom. The inspired and inspiring speakers and the valuable teaching and research methods shared did not only challenge us to think about the trends in our discipline, but also allowed us to connect with colleagues in the region.

In addition to the great scholarship, the beautiful new location, the fun activities reuniting old friends and new ones, and each member's passion, hard work and dedication helped make this convention a truly memorable one. We would like to take a minute to thank everyone who was a part of the convention, from board members to presenters to volunteers and attendees. We honestly are honored to know you and to learn from and with you. Thank you for your amazing membership!

As we reminisce on the commitment and enthusiasm of all, we are also looking forward to another successful year with our new and recharged FCA board. If you have any suggestions you would like to offer us for next year's convention plans, please feel free to contact our 1st Vice President and Convention Coordinator, Stefanie Powers at spowers@lynn.edu.

Again, thanks for being a part of this community and making our association what it is. We wish you Happy Holidays and a Happy New Year and we hope to see you next year!

Kind regards,

FCA Board Members

Among the many exciting events, FCA convention attendees enjoyed a unique dinner at Sleuth's Mystery Dinner Show and sank their teeth into their delicious food in Downtown Disney's famous T-Rex restaurant. If you missed this year's social events, we are looking forward to you joining us next year during our new adventures.

As a great nighttime entertainment and dining option, members joined in on the mysteries of Sleuth's Mystery Dinner shows laughing, playing, eating, and investigating along with the characters and our fellow audience members to solve the crime!
